Check that you have paid the correct Postage for weight/size of envelope that you use to return documents.  
**Incomplete postage, documents or inaccurate cheque payments are subject to an Admin fee of £5.**

Please ensure you accurately read and complete the Health & Safety sections. We are unable to process forms or confirm bookings without completion of this. In the event that your 'PLI' insurance expires before the show, please inform us of this and ensure you forward this when you have it. **2025 Marquees (Indoor sites, please read):** It may be decided to change the size of our marquees for this year. We will still have the same number of sites available indoors, but these will be split across less marquees. These will be much easier to protect in adverse weather conditions and will allow our event the best chance of survival. We hope that this set up will benefit the traders if we feel we need to do this closer to the event.

**New for 2025** - We are excited to introduce a dedicated Wellbeing Marquee, designed to showcase a wide range of practices aimed at enhancing both physical and mental health. This area will be for those who specialise in things such as Reflexology, Reiki, Natural healers, Mental health charities, medical checks etc. We are offering an Introductory rate for this year.

For sites within the Food Pavillion Marquee requiring refrigeration or other electrical needs, this year we are pleased to offer to opportunity for an Electric connection. Priced at £60 per 16-amp supply (=1 double socket) Daytime only & £30 per 16-amp supply (=1 double socket) should you require Electric Overnight. If required, please specify your needs on the booking form.

Dear Sir/Madam

As in previous years, Government legislation for event safety requires the production of certain paperwork for inspection and for the Show to conform to legal Safety standards.

All site holders are required to hold a current policy of insurance in respect of Public Liability or Third Party risks, including Product Liability if relevant. Also, Risk Assessment form(s) are required for all sites and must be relevant to your activity.

In the event of your Insurance cover expiring before the Show dates, include your current certificate and post/email a copy of the renewal prior to the event. You cannot trade without us having these documents on file. You will not be permitted to set up your site without relevant health and safety documents.

If you have any problems with these requirements please email [secretary@thechaideshow.co.uk](mailto:secretary@thechaideshow.co.uk)  
Your documents will be held by me on file and produced for inspection if requested by local authorities.
